Katch Kan®

Katch Mat™

Problem

- Work floor personnel injuries due to slip, sprain, strain, and fatigue

Solution

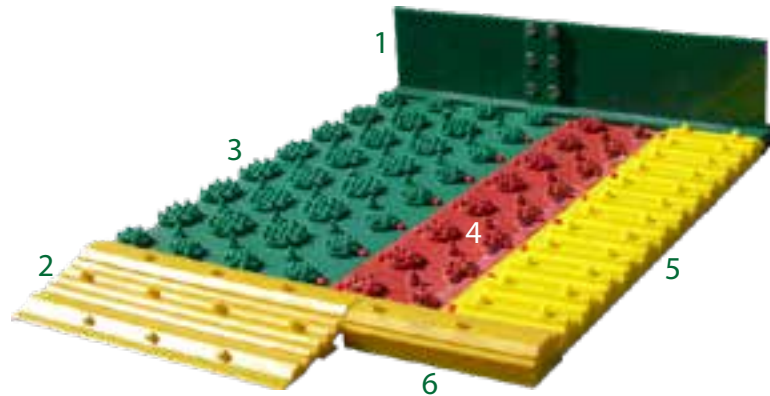

An anti-slip, ergonomic, safety zone identifying, high traction containment mat.

Value

- Color coordinated for safety and danger zones that keeps green-hands safe
- Durable anti-slip/anti-fatigue and ergonomic features
- Highly configurable to meet floor and stair layouts
- The buttons improve traction on the floor and keep the feet elevated above any fluids
- Custom design allows you to replace only specific components versus the entire mat
- Transition border eliminate trips when stepping on mat
- Drill pipe tub and berm also can be incorporated on the floor to contain fluid

Specifications

- Temperature and invert resistant material
- 24" X 24"
- 18lbs

1) 4" Wall, 2) Transition border with berm, 3) Green Katch Mat™, 4) Red Katch Mat™, 5) Yellow Stab Mat, 6) 1" Berm

7) Expansion borders, 8) Connector strips, 9) Border without berms.
